To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Abby Messner. I met Abby about four years ago when I was on the interview panel for a scholarship program, Youthtowne Young Scholars, at her high school. The scholarship is a full, four year scholarship to Our Lady of the Sacred Heart High School in Pittsburgh, PA. When Abby was accepted into the YYS program, I became one of her advisors and summer program mentor.

To be accepted into this scholarship program, Abby showed great responsibility in her grades, service and over-all character as an incoming high school student. From the first time I met Abby, it was clear that she had a positive attitude, strong work-ethic and good communication skills. During her time in the program, she showed leadership, good teamwork, and continued academic success.

In addition to her role in the Youthtowne Young Scholarship program, Abby has involved herself in many academic, extracurricular and community activities. It is clear that she is able to balance a variety of responsibilities effectively. Her academic achievements include National Honors Society and maintaining about a 4.0 throughout her high school career. Abby also earned the Bronze Service Award and the Outstanding Young Citizen Award.

Abby is active in many extracurricular activities while maintaining her high academic standing. She has exercised her passion for theater through participating in Pittsburgh Musical Theater and Xtreme Teen Broadway. She has been a Student Ambassador, involved in Student Government, and was a National Honor Society peer tutor.

Abby continues to involve herself in service and community projects. These activities include involvement in the Mooncrest Summer Camp, World Vision, and Pressing His Blessings. Volunteering is one of her key values and Abby plans to continue to do so in her future.

As you can see, Abby is an outstanding young woman who would be an ideal candidate for a college campus. She is highly deserving of scholarship and would represent the title well. I fully recommend her in her application. If you should have any further questions, please feel free to contact me.

Sincerely,

Rebecca Glatz, M.Ed.
