To Whom It May Concern:

I am writing on behalf of Aaron Deutsch. As the Student Union Advisor for the last three years, I have known Aaron as a mature and kind young man who continues to impress me each day.

Aaron is a hard-worker and goes above and beyond what is expected of him. He our Student Union President and I do not have enough kind things to say about him. He is a reliable and dependable student and young man who is not afraid to help or take on responsibilities. He takes initiative and makes decisions I know I can trust, he takes time out of his day to help lessen my responsibilities as the advisor and I cannot say that I have had a Student Union President so dedicated and willing to help. He's efficient and effective; the other students respect him and do all that he asks of them.

Although I cannot personally comment on his academics because I've never had Aaron in class, I have absolutely no doubt he is excelling in all areas of his education. He is an exceptional young man who works hard and gives 110% in everything he does. I am proud to have worked with Aaron the past three years.

If for any reason, you need to contact me for more information, my email address is martinis@penntrafford.org.

Sincerely,
