

SETON LASALLE CATHOLIC HIGH SCHOOL

In Faith and Charity

January 2020

To Whom It May Concern:

Please accept this recommendation of Anna Mathias. I know Anna through Campus Ministry, as a student Ambassador for Seton LaSalle, and as an outstanding member of our school community. I highly recommend her to you.

The characteristics that come to mind when I think of Anna are that she is cheerful, outgoing, energetic, kind, honest, hardworking, supportive, and courageous.

Anna truly stands out among her peers. She excels academically –she’s at the top of her class!– and is super involved in a variety of activities. Whether you see Anna in passing or have the pleasure of having a conversation with her, she has a radiant joy that touches everyone around her. She is friendly, welcoming, and caring towards others. She is rooted in her faith, and her values drive everything she does and how she sees the world.

Anna has courage, and it’s visible in how she is true to herself and her voice, and how she puts herself out there in group discussion as well as activities such as the Fall Drama, Spring Musical, and forensics. She’s a team player who brings her best every day and is always supportive and encouraging to others. Also, Anna is just fun to be around!

Anna is generous with her time and talent; she’s a servant leader. She has accepted leadership roles in many of her activities and has been volunteering in the community for several years.

Anna is an amazing young woman who I respect and admire. I have many specific stories of ways she has touched the lives of others and made a difference. Please contact me if you would like to discuss any details.

Thank you for your consideration.
