To Whomever It May Concern;

I am writing to highly recommend Elena McGoey for the Trib Total Media Outstanding Youth Citizen Scholarship. I am the Program Manager of Adventures, a program that provides experiential therapy to children and adults using plants, animals and the natural environment.

I met Elena six years ago when she became a Junior Volunteer in Adventures. In the time that I have known her she has always been extremely dedicated to her work as a volunteer. She is a very kind young woman who is extremely respectful of all of our animals and the special needs population that we serve. She always does each task that is asked of her willingly and has even become a Junior Volunteer Mentor, helping to guide new junior volunteers. This dedication shows that she will be very successful in her future endeavors.

I sincerely believe that awarding Elena the Trib Total Media Outstanding Youth Citizen Scholarship would be an excellent choice on your part. She is an extremely well rounded and outgoing individual that is involved in many extracurricular activities in both her school and community. Thank you for taking the time to consider Elena for this scholarship. If you have any questions feel free to be in touch.

Sincerely,
