To Whom It May Concern,

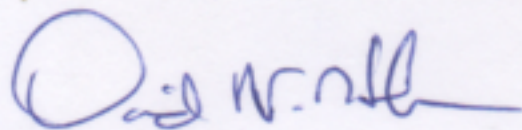

It is with extreme pleasure to write this letter of recommendation for Chris Venzin. I've known Chris since he has been 11 years old. Chris is an Eagle Scout with Troop 465 of Greensburg. He has been a strong leader, eager to share his scouting skills with the younger scouts. He is very proficient in outdoor skills and first aid. He has over 1000 hours of volunteer of working with scouting activities.

Chris is an excellent student and is actively involved in the theater, speech club, and the future business leaders club at school. He is also an amateur magician, performing at several local events. He is a member of the Science National Honor Society, National Honor Society and is in the top ten percent of his graduating class.

His future plans for college involve Marketing or a Business major.

I've worked with hundreds of young men, and Chris is one of the most outstanding I've had the pleasure to know.

Sincerely,

David W. Hawk
