To Whom It May Concern,

It is with great pleasure that I am writing to recommend Jesse Greyshock. I have known Jesse as his AP Calculus teacher and find him to be intuitive and focused. He is an excellent student, leader, athlete and community member. Jesse will be an asset to any program he chooses to pursue.

Jesse's academic abilities are evident in his transcript. He challenges himself with the most rigorous courses our district has to offer. This has earned him a place in both National Honor Society and Spanish National Honor Society. As a student Jesse enjoys a challenge and sees ideas through until he finds total understanding. He enjoys academic competition through our Math League and Hometown High-Q academic teams. In addition to his academics, Jesse is a four year letterman on the soccer team on which he has been captain. Jesse Greyshock is a young man with great integrity and talent. He is a model student. He sets the bar high for himself and encourages others to do the same.

I am happy to recommend Jesse Greyshock for your scholarship without any reservation. Should you have any additional questions or require any additional information, please feel free to contact me at your convenience.

Sincerely,

A handwritten signature in cursive script that reads "Mary DeLuca".
