RE: Letter of Recommendation for Jesse Greystock, an Applicant for
Trib Total Media Young Citizen Scholarship

Dear Scholarship Committee,

It is with great pleasure that I write this letter of recommendation for such a bright, articulate, enthusiastic, and qualified student as Jesse Greystock.

I have known Jesse and his family since July 1, 2013 when I became the Senior Pastor of his church, Holiday Park United Methodist Church.

Jesse is a very active participant in the ministries of our church where he has participated with the youth group; taught in our Sunday school; provided leadership for Vacation Bible School; participated in our annual mission trip to Philippi, WV where he worked on repairs and reconstruction of homes in need of significant repairs.

For the past three years Jesse has provided leadership for our Operation Christmas Child where he has presented the need to our church and organized the collection of articles and the assembly of hundreds of gift boxes per year. He has helped in other various capacities throughout the various ministries of Holiday Park UMC, while keeping a significant class schedule, maintaining a 4.0 GPA, serving as captain and goal keeper for Deer Lakes HS Varsity Soccer. He has also served as goal keeper for the Pittsburgh River Hounds Development Academy for the past five years. Jesse is also the captain of the school's academic team, competing on Hometown High Q, a televised trivia show. In Jesse's spare time he also serves his local community as a referee for the youth soccer club.

Jesse is a natural born servant leader. No matter what you ask of Jesse, he is willing to provide excellent leadership as well as significant support services. Wherever Jesse leads or serves, his peers follow as he maintains wonderful relationships throughout the church community. He has earned the respect of the children to whom he has ministered, as well as his peers and adult leaders who have worked with Jesse.

I give my highest recommendation that Jesse Greystock be one of your scholarship award recipients. I am certain that he is a worthy recipient who would manifest the highest ideals of this award. I only wish that I had more students like Jesse.

Sincerely,

Rev. Anthony S. Fallisi

Senior Pastor, Holiday Park United Methodist Church
