Re: Jack Harden
860 11th Street
Oakmont, PA 15139

To Whom It May Concern:

I am writing to confirm that Jack Harden has served as a Junior Volunteer at Allegheny Valley Hospital since April of 2019.

During that time he contributed 62 hours. Jack is regarded as one of our most reliable student volunteers and is held in high esteem by the health care professionals in AVH's emergency department.

Jack serves as an Emergency Department "Link" volunteer and his duties include rounding on patients, answering call lights and assisting nursing as needed. His responsibilities include interacting with patients on a regular basis.

His dedication to his position here is greatly appreciated and he exhibits many of the characteristics that I think make him worthy to be selected as an outstanding young citizen by your organization. He is just the type of person we hope continues to pursue a career in healthcare. He is caring, compassionate and able to work well with people of all ages and walks of life.

Please call me at 724-226-7370 if you have any questions, or require additional information. Thank you.

Sincerely,

Kimberly Giovannelli, LSW
Director, Community Services
