

Dear Sir or Madam,

It is my pleasure to write this letter of recommendation on behalf of Julia Lombardi. Julia was a member of my congregation and youth group while I was appointed to her church at Baldwin Community United Methodist Church. Julia's commitment to her faith and church are made evident through the many ways in which Julia selflessly takes time to help others. whether through running the computer each week, helping her parents set up the cafe, teaching Sunday School with her mom in the summer, singing for special services, helping with the clean-up days, painting, helping with the Fall Festivals/Egg Hunts, etc. I have personally witnessed Julia's caring and positive character in the ways that she interacts with her peers in the youth group as well as the other members of the congregation. I have seen Julia work hard to help others on mission trips. I have seen Julia make others feel welcome in youth group where Julia sets a great example for all the youth to follow. In school, Julia takes time to tutor a 6th grade student in math. In her community Julia helps take care of an elderly neighbor. Julia has a drive and motivation that will carry her far in her educational pursuits. I know that whatever Julia decides to do she will do extremely well.

Yours Truly,

Pastor David Pogany
