To Whom It May Concern:

Please accept this letter of recommendation for Mr. Tyler Funk. I have known Tyler for the past 14 months, working as his college counselor. I was initially hesitant to write this letter, being fearful that my opinion would be too biased. But after careful consideration, I felt it was only right to share the characteristics and drive that this young man possesses.

He has exhibited qualities that makes me extremely confident that he will succeed at anything, he puts his mind to. Motivated, meticulous, and committed are three words that best summarize Tyler. Whether it was playing a major role in his award-winning marching band, excelling academically, working toward his Eagle Scout rank, or creating his own non-profit organization that has raised over \$35,000 for cancer research and awareness, once Tyler commits himself to something, nothing will stop him from doing it at the highest level.

Someone with his determination and self-discipline will certainly grow into a person who does great things. I'm very excited for what the future has in store for him.
