Ladies and Gentlemen:

It is my pleasure to recommend Madison Rugh for your scholarship. At Greensburg Salem, our goal is to create a learning environment that allows our students to excel which is exemplified in Madison Rugh. Madison is an outstanding student as acknowledged by Greensburg Salem High School, the Greensburg community, and the national level, where she is a National Merit Semifinalist.

Madison has a natural ability to inspire others. She is a natural leader which is exemplified in her experience in Mock Trial where Madison infuses her personality to take control of the situation. Her expertise was recognized with the Outstanding Attorney Award. On the Debate Team, Madison not only qualified for the state tournament but for the national tournament as well. Along with her ability to perform under pressure, she also gives back to her community where she serves as a leader on her church council. Interpersonally, Madison is not only an excellent leader, she does it with a smile. She is inclusive with classmates and strives to be a positive influence in every situation. She has impressive maturity, judgement, and self-control.

I highly recommend Madison Rugh and look forward to her bright future. I look forward to watching Madison make a positive impact. Please contact me at 724.832.2962 to discuss Madison's many fine attributes and qualifications. In all, Madison is an intelligent, logical, ethical, and personable young woman with an ability to make a difference in this world. Thank you in advance for your consideration.

Sincerely yours,

JoAnne Finoli
