To Whom It May Concern:

## **Letter of Support for Ms. Megan O'Brien**

I appreciate the opportunity to provide a letter of support for Megan O'Brien as she pursues her post-secondary education and scholarship opportunities. In my role as a Biology Teacher and Volleyball Coach, I have had the opportunity since 2016 to observe Megan as both a student and as an athlete at the Greensburg Salem School District. I have a great deal of respect and admiration for her involvement, enthusiasm, and energy toward all that she does.

Megan is a strong, kind, and intelligent young woman who has been untiring in her service to others and commitment to high academic standards and achievement. She has provided leadership in many areas – Kennametal Young Engineers Program Design Lead, Interact Club President, National Honors Society Executive Committee, Junior Varsity Volleyball Captain in 2016 and 2017, and Varsity Volleyball Captain in 2019.

Megan is approachable, hard-working, and resilient. She has proven time and again that when she takes on a task, she will ensure its successful completion. She is committed to achieving her best, both in and out of the classroom.

In conclusion, I would highly recommend Megan as scholarship recipient due her academic achievement and commitment to her community. She will continue to be successful and would represent any scholarship/program with the highest level of integrity.
