I am privileged to write this letter of recommendation for Amanda Moser. She studied in my honors 10 English classroom during which time I witnessed her strength in writing, ease with communication, and willingness to collaborate. This excellence in academics is equal to her outstanding character witnessed through his treatment of peers and teachers. Amanda is truly an individual I can recommend with confidence.

Amanda was a dedicated student in my 10<sup>th</sup> grade honors English class where she demonstrated her willingness to expand her skills in writing and communication. She takes much pride in her work and is determined to achieve success. Amanda was an eager participant in socratic seminars where she would voice her opinions about literature and support them with specifics, and she would make relevancy connections showing her knowledge and interest in current events and politics. Amanda is also able to think critically, analyze text, and develop formal essays. She was an integral part of this class and encouraged others to participate effectively as well.

Amanda exhibits the skills that are necessary for success at the college level. Her work ethic is evident within the classroom, but it is also apparent after school. She participates in various after school activities and manages to balance both. However, Amanda manages her time wisely while contributing to these organizations.

Amanda would be a welcome addition to any college campus and is certainly deserving of this privilege. Her work ethic, demeanor, and overall drive to succeed will make her a success in this atmosphere. I recommend Amanda with confidence.

Sincerely,

Ms. Emmett
