OYC Scholarship
Mr. Zach Nieman

Dear Mr. Nieman,

Please allow this to serve as a letter of reference for Benjamin Scariot.

Mr. Scariot is a second-year student in the Emergency Response Technology Program at AW Beattie Career Center.

As a person, Mr. Scariot is driven to develop himself to be the best in all that he does. As a student he mentors younger students and works to develop his skills to be an instructor. He often assists the instructors and staff in various capacities throughout our facility. His fellow students as well as the staff of Beattie respect him and his maturity. His positive personality and patience are a major asset to our program.

Mr. Scariot is a member of the National Technical Honor Society which he recognizes his academic excellence. In addition to his academic achievements in school he is active with the Shaler High School Band and Beattie Ambassadors, which is a group of honor students that promote the AW Beattie Career Center. Outside of school he has earned his Eagle Scout with the Boy Scouts of America. He serves his community as a member of the Etna Volunteer Fire Department and Shaler Hampton Emergency Medical Services. All of this while being employed at Monte Cellos restaurant.

Mr. Scariot is driven to achieve his goals, no matter how lofty they might be. He is focused in pursuing new goals and has researched how to achieve his goals based on his interest and abilities. He plans to pursue a career in the Public Safety field at the Community College of Allegheny County and the Center for Emergency Medicine at the University of Pittsburgh. His motivation is commendable!

I highly recommend Mr. Scariot for your scholarship so that he can continue his education. I am confident that he will perform to the highest expectations to achieve his goals.

Please feel free to contact me.

Sincerely,

James E. Thomas
Instructor
