To Whom it May Concern,

Please accept this letter of recommendation for Anna Mathias. I have known Anna for two years as her guidance counselor.

Academically, Anna is one of our best and brightest! She is ranked 4th in a competitive class of 103 students. Anna has always challenged herself by taking our Honors level classes. Also, to date, she has taken 6 Advanced Placement classes. She has received academic accolades such as, The Total Trib Media Outstanding Young Citizen Elite 100 students in 2019 and the Society of Women Engineers Award in 2018.

She contributes her time and talent to a variety of clubs. Most notable is her involvement in our Forensics Team, of which she is the captain. Our Forensics team has won state and local awards. She also is a leader in our Campus Ministry program as she serves as a Retreat Leader. She has consistently participated in Pennsylvania Junior Academy of Science and won awards for her participation. Anna has also been involved in our theater program. She is a very versatile young lady.

Personally, I know Anna to be kind, goal-oriented, bright and happy. I am honored to fully support her college applications and her scholarship applications. Please feel free to contact me if you have any further questions.

Sincerely,

Judy Cayes, Counselor
